

Liberty Cup 2020

Parent and guest update 11/30/20

Parents and guests

Welcome to the 2020 Liberty Cup. We are working hard to make this competition as normal as possible in a time when everything normal has been temporarily set aside. We need your help to accomplish this.

Visiting our gym. Our guest capacity is limited to two (2) visitors per athlete. Our entry staff will match the athlete's names to the number of guests. Please do not seek special consideration.

The entry fee is \$15 cash. Please have correct denominations ready to keep hand to hand transactions to a minimum.

Help us control the numbers in our competition space. Once we have reached capacity the doors will be closed for the duration of the session. No early entries will be permitted. To be clear, athletes and families scheduled for Session 3, as an example, arriving during session 2, will not be allowed to enter. It's best you wait in the car until the "Now Permitting Session 3 to Enter" sign is displayed.

To keep personal interactions to a bare minimum, we will not be having a sales table, or a snack table. All the guests will be offered a complimentary bottled water which we ask you to keep possession of during your stay with us. Keep the bottle with you and take it out of the gym, again, to keep the person to person contact to a minimum.

The awards ceremony will be different as well this year. All the athletes will be grouped with their teams and asked to stand in place for their recognition, but we will not be presented trophies or medals. **ALL AWARDS WILL BE MAILED TO THE GYM FOR DISTRIBUTION.**

Athletes gift. The gifts for the athletes this year are high quality hoodies. The gifts will be mailed to each club as well. Again, to keep hand to hand contact to a minimum.

Please practice social distancing.

Please keep your mask on while in the building.

This too shall pass, and one day soon, we will be back to gymnastics as usual.

Thank you for your understanding, support and corporation.

Best regards, Rob@aerialsgymnastics.com
